

## 50 Clear Reasons to Believe

### “THE RECONCILIATION OF ALL”

#### (Refer to Audio-Individual teachings for message)

Let it be added that none of the 50 passages of scriptures listed will mean anything to those who are not willing to concede to truth, regardless of what it is. In order to get a complete and balanced overview of God’s great plan, which is SALVATION OF ALL, we suggest searching out all of the scriptures (preferably in the Hebrew and Greek). No doubt, there will seem to be conflicting verses, and it may involve many hours of searching, but continue on with a genuine desire to know the truth, and with dedication until the Spirit of Christ settles it firmly in your spirit. We rejoice in the light of the above scriptures. But it is clear that **God’s judgment and man’s torment are not forever, but age abiding**, as it is in the original texts. **There is an end to both**, else His purpose would be frustrated and never be seen throughout all eternity. Let every person know that God has always had a wonderful plan for **every person**. Moreover, no one and no thing can frustrate it, and He will fulfill it according to His good pleasure. Now for the challenge to those who do not embrace the truth of this matter; but they say if it is in the Bible, they believe it and teach it. The below are clear verses contained in the Bible. What about it? Do you believe it? If so – will you declare it, and with joy share it to any and all, regardless of the reproach? To bring this forth will cost everything; but that is the price for truth. *The Valley of Decision* is a hard place; but don’t abide there long, break the ties of dogma which have for ages flowed down the concrete channels of tradition lest you reason your way back to the well-beaten path, which sees God in man’s image of being eternally feeble and uncaring for that which came from Him.
